AUSTRALIA DAY CELEBRATIONS 2009

As part of the Australia Day celebrations, the Kirwan Scout Group was asked to be flag bearers for the Townsville City Council Australia Day Awards. The Kirwan Scout Group had been doing this for the past few years with the former Thuringowa City Council.

At the Council elections in October 2008, the two Councils amalgamated and became the Townsville City Council. The Kirwan Scout Group was especially proud to have been a part of this event under one Council and to have been invited to take part.

I see this as a great opportunity to showcase our youth to the community and the work they do and for our youth to gain a better understanding and appreciation of our National day and to see the greatness in other community volunteers

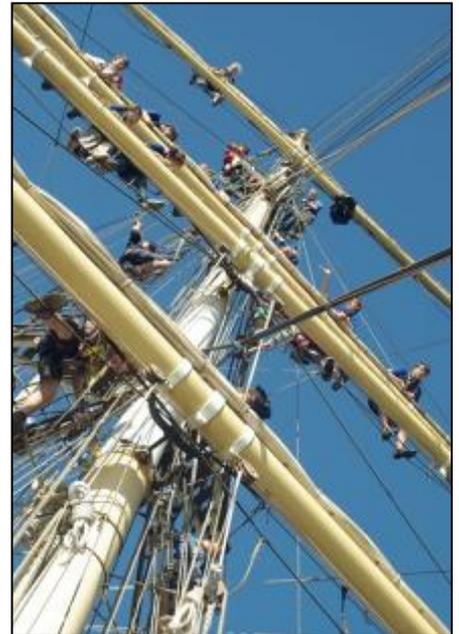

VENTURER SCOUTS BACK FROM "ESCAPE" IN WA

Three Venturer Scouts and their Youth Program Leader returned grinning but exhausted from the 14th Australian Venture, a camp called "Escape" at Fairbridge Village, near Pinjarra in Western Australia.

YPL Michael Rice said "Escape provided young people from all over Australia and around the world with the opportunity to expand their comfort zone and try new experiences. They contributed to the local Peel community through service projects, met international Scouts and come home with life long friends and memories."

Venturer Scout James Jarrett spent the first 5 days on an expedition modelled on the "Amazing Race" television series. "That was awesome," he said. "We travelled all around Perth, Fremantle and Pelican Island."

Stephanie Jarrett walked the sandy Bibbulmun track

out of Albany in the State's south. "I was having so much fun I don't remember how long any of it took!" she said. "We walked lots, but no one really complained."

And Kieren Rice learned to sail on the Swan River at Pelican Point Sea Scouts. "I
(Continued on page 2)

(Continued from page 1)

liked that there was no set bed-time or getting-up time," he said. "We sailed keelboats called Redwitches and small boats called Pacers. When we sailed a motor boat to Karnack Island I went snorkelling and saw some seaweed."

Leader Michael Rice, who went along to help with first aid at the main Escape site, was called on at short notice to join the most sought-after expedition, tall-ship sailing in the Indian Ocean aboard STS Leeuwin. "That was an opportunity and experience of a lifetime for me, and the 40 Venturers who sailed," he said. "It was all about extending boundaries, teamwork, and communication."

After their expeditions, the Venturers spent 5 days camped at the main Escape site doing daytrips and onsite activities such as paintball, laser tag, ropes courses, crafts, camel rides, local service projects or just chilling-out away from the summer heat in the movies at Mandurah. In the evenings, they were entertained by bands including "End of Fashion", a pizza party, bubble-party, jelly-wrestling, frozen t-shirt competition and a mechanical bull. Sporting activities included the pool, tennis, basketball and beach volleyball.

West Australian Scouts Chief Commissioner Sue Mitchell said "Experiences like these enhance and develop leadership skills in our youth members, promote a deep sense of team development and provide an opportunity for Venturers and Venturer Leaders to develop and strengthen networks within the organisation across Australia and the world".

Venturer Scouts is a mixed group for 15-18 year olds, within the growing worldwide Scouting movement of over 28 million members in 216 countries and territories. Based on the principles of youth development and leadership the Scout movement delivers the Scout Program to young Australians and is committed to providing activities that are intellectually and physically stimulating, combined with fun and adventure and that the Members are recognised for their achievements. Scouts have the opportunity to acquire values, skills and lasting friendships that make them good citizens and adults who make a positive contribution to our society. Famous Scouts include Dick Smith, Jamie Drury, Rove McManus, Geoff Gallop, Peter Garrett and Dr Brendan Nelson.

Beadesert Venturer Scouts meet on most Tuesday evenings during school terms. New members are welcome, a sense of adventure is handy but no previous Scouting experience is required. For enquiries, contact Youth Program Leader Michael Rice on 0428 154 912.

JANDOWAE LIONS GROUP FUN NIGHT

Every year the Lions Club of Jandowae do a Fun Night and a parade to start the fun night off. With this every year we create a float in the parade, this year we created the Scout Emblem for Year of the Scout and we won the Best Children's Float the prize was \$30. Here is a picture showing the float and members of the Jandowae Group.

CAMP IDEA FOR HANDWASHING

I liked the item on camp handwashing in the latest Encompass. Not sure about the "air dryer" though - always a shortage of power points for those on my camps.

Anecdotally, Queenslanders enjoyed lower rates of gastro at a few Jamborees; I don't know whether this is their handwashing, dishwashing (my son's troop had a rather extraordinary 6-bowl system), the ban on teatowels or perhaps they were just more acclimatised to running about in heat and dust. Here's an innovative washup system I spotted in my son's troop (118) at Elmore.

There's a bucket of water with a scoop/jug, a tentpole or stake, and a PVC reducer with a cap drilled (or in this case, gaffer-tape punched with holes) to provide a steady flow or "shower" of water. A couple of cable-ties or some more gaffer tape and you've got it all attached, even some liquid soap. The staggered reducer provides a nice off-set from the post. The beauty is that, well-made, it runs for the required time (no need to sing "Happy Birthday" twice: and why not "Ging-Gang Gooly" anyway?) and there's no need to turn it off. And, it will run off a bucket with a scoop made of anything, even an old milk carton, so apart from the reducer, it's pretty cheap.

"Mudda" (Gai Johnston) shows Kieren Rice how it works in Troop 118 at AJ2007, Elmore.

ROVERS RACE FOR 25 YEARS OF SUCCESS

Australia Day Weekend saw QLD Rovers produce the 25th Banana Bash. Banana Bash 2009 was held at Karingal Campsite and had more than 270 Campers and Close to 500 Visitors over the weekend. Bash started on Friday the 23rd of January and continued until Monday the 26th of January. Although the weather was not kind to us Banana Bash 2009 was a very successful event with all of the participants enjoying themselves.

On Sunday the 25th of January Banana Bash welcomed visitors both from Scouting and the general Public. Visitors Day started off with

the Autocross and Powder Puff (Powder Puff- all female event). After seeing the girls in action crowds gathered to watch the March Past, this is when crews were to choose a theme and decorate their Banana Bash cars and then join in a parade, always a crowd favorite with the Joeys and Cubs.

After March Past finished one of the crowd favorites started the "Hill Climb", although the weather was a bit unkind to us in this race it did not dampen the spirits of the crowds. The Hill Climb came to a halt when the Girl Guide Fellowship Car "Cookie Monster" caught on fire, luckily both of the young ladies were quickly removed from the car and no one was hurt.

Late afternoon brought the crowd pleaser the "Worm Dig" (aim is for cars to drive through a mud pit and get as far as possible). The louder the crowds went the more mud and noise the cars made. The crowd favorite for the Worm Dig was Tonka which entered the race yellow and came out chocolate brown colour. Crowds watched the worm dig in the rain however it made for more mud and more fun. Finally Banana Bash visitor's day was topped off with the Rover Advisers race which was the final event for Banana Bash 2009.

Monday morning saw the trophy presentation happen with the most towed award going to "Wishful Thinking" from Capalaba.

The Banana Bash 2009 Committee would like to thank all of the campers and visitors for 2009 and Queensland Rovers look forward to inviting you back to the 2010 Banana Bash.

Message from the

CHIEF

Chief Commissioner of Queensland **Maurice J Law AM**

Welcome to the first edition of Encompass for 2009 and to what I hope will be an exciting year of Scouting for us all.

As we say farewell to the Centenary of Scouting in Australia and the tremendous impetus that it has given Scouting over the last twelve months we now look towards how we can continue the impetus and in particular continue to provide programs which excite and challenge Young People thereby ensuring their continuing membership within Scouting in Queensland.

Whilst the Centenary of Australian Scouting has now finished we continue to be in the 100th year of Scouting in Queensland. Whilst records about the commencement of Scouting are a little sketchy it is general recognised that Scouting in Queensland started with the forming of four patrols at Kangaroo Point, Bowen Hills, Ashgrove and Toowong in August 1908. The exact date that these patrols commenced is not known but it does mean that Scouting in Queensland continues to be in its 100th year until August of this year.

Perhaps this is the impetus that we need to keep challenging ourselves and to keep challenging the Young People who form the membership of the Movement.

In recognition of this fact I have decided that the Centenary Pin which we wear on the right lapel of our uniform will continue to be part of the uniform for Queensland Scouting until the end of August 2009.

During the Centenary Year of Scouting in Australia we also commenced our Centenary Project to raise money for the Wesley Research Institute such money to form the basis of a trust, the interest from which to be used to assist with future research.

Unfortunately we have not met the target set for this project and in order to give us an opportunity to lift the current funds raised even further I have decided that we will continue this project until the end of July 2009.

I am aware that there are a number of Formations who have raised money for this project but who have not yet forwarded that money to Branch Headquarters so that it could be accumulated with the other funds raised. If you belong to such a Formation I would ask that you do what you can to ensure that these funds are forwarded to the Branch Headquarters at the earliest possible time.

If you belong to a Formation who has not yet contributed to this project then the extending of the project will give you the opportunity to ensure that your Formation can be

named in the list of Formations who have contributed to Scouting Queensland's Centenary Project. Remember in the years to come the Members of the Formation to which you now belong need to feel that their Formation was part of and contributed to the initiatives of the Branch.

2008 also saw Queensland Branch holding its Vision Conference and starting work on the 2020 Plan which will replace the 2015 Plan. A large amount of work has been done on the 2020 Plan at Branch and Region levels and in some cases at District and Group level. I urge you to become involved in setting the strategic direction for the Formation to which you belong in line with the core objectives of the Branch 2020 Plan which are;

- is sustainable by having adequate and committed volunteer Leaders and supporting Adults
- is sustainable by having adequate and committed financial and material resources
- delivers a dynamic, exciting and vibrant program
- has increasing Membership of young people with optimal retention
- has increasing participation of young adults in management, leadership and support
- is recognised by the whole community as the leading choice for the development of young people

One of the strategies included in the Branch Plan is to increase the number of people in each of the youth sections who receive the highest award. Throughout this edition of Encompass you will find a graph in relation to each of these awards and it is intended from the April edition onwards to include in those graphs the number of young people who have received the award during the 2009/2010 Scouting Year.

This is not to say that the gaining of the highest award in any section is the be all and end all of Scouting but it does give a clear indication of the quality of the program being offered to our Young People and perhaps even more importantly the acceptance of that program by those Youth Members.

So as we start 2009 let us do so with a renewed energy, revitalised enthusiasm and a desire to ensure that the people of Queensland know that the Scout Association, the largest Youth Organisation in the World, is alive and well and ready to live up the reputation it has gained over the last 100 years.

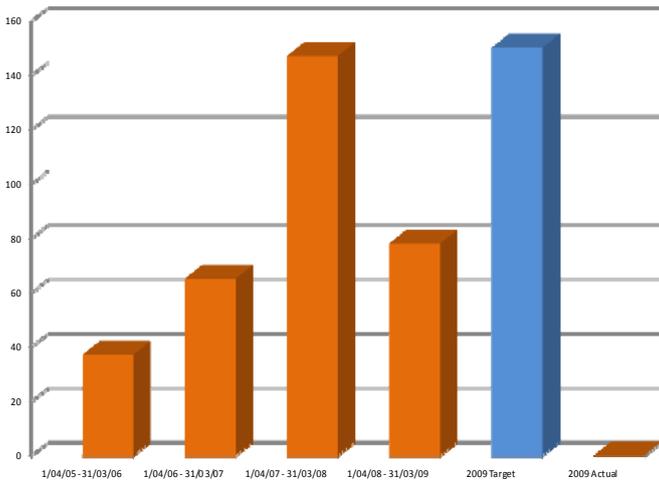

I wish you good Scouting and look forward to meeting you once again around the ridges.

CUB SCOUTS

Welcome back

Here we are back for another year of Cub Scouting, I hope you enjoyed the break and have returned full of passion and enthusiasm for the vital role you play in the development of our Youth Members.

Cub Scouting is a wonderful way of encouraging our Youth Members to extend themselves, learn more about each other and their environment. Our programs are designed to inspire the imagination of Cub Scouts to engage and participate in the Award Scheme, not just to have an armful of badges, but to have tried, learnt and found out about themselves and their abilities in a fun environment.

Scouting teaches resilience and it is universally recognised that the ability to 'bounce back', rethink our mistakes and 'pick ourselves up to keep going' when things don't turn out the way expected, allows us to have a happier and more successful life. Obvious things we want for our Youth Members to take into their future.

We owe it to our Cub Scouts to be the 'very best Leaders' we can be, but we also need to enjoy the journey. The latest phrase doing the traps is not to try to 'balance' our lives but to try for a 'blending' of the different parts of our life to achieve harmony. If we try to balance – there's a chance we could drop something or fall but I like the idea of the 'blended' approach. However you do it, make sure you look after yourself as well as your family in the mix, this is the best way to be a great Cub Scout Leader.

Planning

2009 is the International Year of Astronomy - a great theme for Cub Scouts.

The last two years have been an ideal time for Cub Scouts to be out and visible in the community. There has been an increase of interest in Youth joining our ranks, lets continue to work on the past achievements and be seen regularly in community areas in uniforms.

Run a Cub Scout Pack meeting on a Saturday afternoon in the local park instead of in the Den; arrange outings using public transport, a great opportunity for many Cub Scouts

to learn about the local transport system; good turns are still a big part of our Scouting heritage – see what your Pack can do in the local community.

Please send me photos and stories of your adventures to share with us all.

Cub Scout Expo

In 2009 we will be holding Cub Scout Expo – this is a training weekend for Cub Scout Leaders. A chance to share, revitalise and learn something new, please keep your eye out for more details. Remember to RSVP early to ensure we don't close off without you.

Cub Scout Grey Wolf award

Welcome back to another year of Scouting, a year that can be as enjoyable as you and your Troop Council want to make it. Has the year been programmed, have you considered the badge work of the Troop. Who is going to the Jamboree, will they have all their badge work done. Have we looked at who is going to progress to the Venturer Section and what Cubs Scouts will be joining the Troop, is the linking for these Youth members organised .

As I have stated on other occasions there will be some Scouts that won't be going to the Jamboree, ensure that these Scouts also are catered for within the Program

Early start

For the Jimboomba Scout Troop there was an early start to the year. Mid January on top of Tamborine Mountain saw a presentation of the Australian Scout Medallion to one of their Scouts. Naomi is to join the Venturer Section and hopefully we will see her earn the Queen Scout Award. The

Queen Scout Award is the top Award earned in the Venturer Section.

Triple S

Yes this is happening again this year and it will be the tenth time, each year the numbers are growing. We are now at the maximum numbers so I would suggest the expression of interest followed by the application and payments be sent in early. We have programmed for 120 Patrols and that will be the limit, this will stretch the facilities and the resources. We will again be going to the Gang Show and also have the Sunday Night Entertainment. Below are the bases for Triple S.

1. Abseil & the other sections
2. Pioneering

3. Mud lark 1
4. Heavyweight cooking
5. Patrol challenge base 1
6. Patrol challenge base 2
7. Patrol challenge base 3
8. Working with tin
9. Working with wood
10. Lightweight camping
11. Mud lark 2
12. Craft & things
13. Fun in scouting

VENTURER SCOUTS

Welcome to Scouting in Queensland in 2009. The challenges are the same as in 2008 but I am hoping that this year we will be able to start making a real difference. In this month's column I touch on our attendance in January at the Australian Venture, then draw your attention to the existence of two whole of Branch Councils that are focussed on Venturer matters. I thought now is as good a time as any to set out the information you need to be passing on to your Venturers working on the Queen's Scout Award and see their eighteenth birthday looming. Finally I have included the dates of a few events that have been organised expressly for Venturers in the next two months.

14TH AUSTRALIAN VENTURE

Between 31 December and 15 January, 93 Venturers, 1 Guide and 24 adults all from Queensland had a truly excellent time attending the 14th Australian Venture near Pinjara (an hour south of Perth) in Western Australia, with most of that number attending a pre-Venture tour. The Venture itself started on 4 January with a pool party and from that moment until the morning of 15 January it was all go-go-go for 813 Venturers and over 200 leaders. The Venturers had a choice of seventeen expeditions they could attend for the first four days. These included hikes through really impressive scenery and forests, learning to SCUBA dive, sailing on a *tall ship* or a collection of not so tall ships, fishing, 4x4 touring, caving, learning to surf ... but more on this next month.

The next Australian Venture is in Tasmania in 2012. I encourage all Venturer Leaders to start planning now to get your then-eligible Venturers and yourself to this Venture. This means you can use the Venture as part of your promotion of Venturing to Scouts as every existing Scout will be old enough to go to Tasmania in three years. In the meantime we have our own Queensland Venture in June-July 2010 that you and your unit should be planning to attend.

BRANCH VENTURER SCOUT COUNCIL

Just as we have Unit Councils and District (or Region) Venturer Scout Councils, there is also a Branch Venturer Scout Council. There are in fact two Councils but only one is operating at the

moment i.e. the BVSC involving a leader from each region in the state plus one from Scoutreach Lones. I've started distributing information via e-mail to these representatives and I look forward to you leaders taking advantage of this network to publicise ideas and activities as well as raise matters you'd like discussed from a whole-of-branch perspective.

The other Council is a Branch Youth Venturer Scout Council. I will be starting this Council just as soon as I can get a Venturer representative from each region (plus Lones). This Council will play a major role in putting the new approach to the Venturer system into action, as well as coming up with the ideas we need to grow the Venturer section in this state.

QUEEN'S SCOUT AWARD COMPLETION TIMETABLE

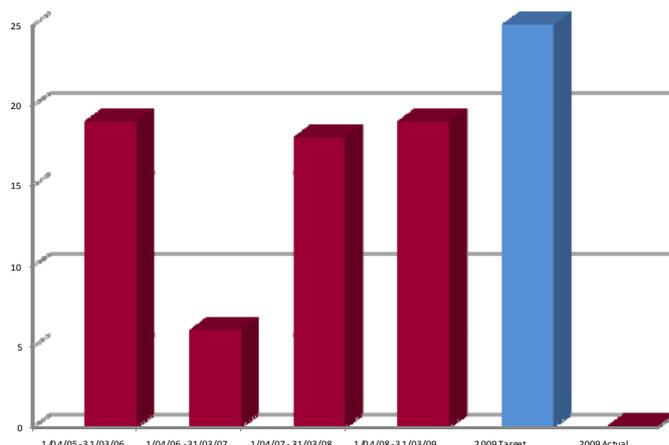

There seems to be a variety of understandings about where a Venturer's eighteenth birthday fits in with the completion of the Queen's Scout Award so I thought it would be useful to clarify this matter.

The best solution to the confusion is to encourage your Venturers to draw up a timeline with the presentation of the badge occurring at least six months before his or her eighteenth birthday and then schedule everything before that. However, as we all know or can imagine, for some Venturers completing the requirements of the Queen's Scout Award is a race with their eighteenth birthday. So what needs to happen before that date? The answer is: complete the requirements of the Award as set out in the Venturer Scout Record Book. In summary, the requirements are to complete all the badge work, and be recommended by the Unit, the Group and the District (or Region if there is no District). The District/Region recommendation is based on an interview conducted by the District/Region Commissioner after an assessment has been made at District/Region level about the completion of the technical requirements.

Any Venturer who has suffered some significant hardship while completing their badge work may be granted additional time by the Chief Commissioner to complete the requirements. The best way for this to happen after the commencement of the changes to the Venturer system (in the next few months) is for the Venturer to write to the Chief Commissioner, explaining what the exceptional circumstances are; setting out the plan of when each of the outstanding requirements will be completed; requesting an extension to a specific date; and showing that the application has the support of the Unit Council and the Venturer Leader. Prior to the changes to the Venturer system, the application also needs to show that it is supported by the Venturer's District/Region Awards Standards Committee. It is important to note that the pressure of other commitments leading to a lack of time to complete the requirements does not con-

INTERNATIONAL

It is hard to believe we are now in 2009 and by the time you get this edition 1/6th of our year will be gone. Which prompts me to ask, have you got any international events in your calendar? You should have at least 2 international themed nights per year. It can be as simple or as complex as you like. International food nights, religion, costumes, international games, law and promises from around the World etc.

After the recent success of the **Student International Scout Exchange Program (SISEP)**, Scouts Queensland is now seeking interest from Venturers to attend this program overseas in 2009. We will be looking for Queensland Venturers to go to either the UK, Denmark or Japan. After recent requests we now have 2 wishing to go to Denmark (Breame Marsh and Michael See) and possibly one to Japan in 2009/10 and one to Denmark in 2010/11. **Applications** for the 2009/10 exchange **close 20th March 2009**. Applications are available and if you haven't completed one then please do so to enable us to arrange interviews.

Being an international exchange student is the experience of a lifetime. Living as a member of a family in an overseas country such as England, Denmark or Japan will open your eyes to how other people see the world, the foods they eat, their lifestyle, recreation and work habits.

Being an international exchange student linked to the Scout Association in your host country gives you the unequalled opportunity to take part in challenging and diverse activities that only Scouts can offer.

Who Can Participate I hear you ask? Applications to participate as an exchange student in the Scout International Student Exchange are invited from Venturer Scouts aged 14 to 17. Australian exchangees give up their Australian summer vacation to spend six to eight weeks living with a family overseas.

International Pen Pals is about the Scouting way of life, making lifelong friends. We have always got requests from overseas so **we need your help**. If making friends and sharing ideas with another Scout from the other side of the world interests you then have a go and contact our Pen Pal Coordinator, David McEvoy. Send your applications to penpals@qldhq.scouts.com.au.

Interested in radio: Get Radio Active! The first National Radio Camp will be held between 15 – 18 April at Gilwell Park, Victoria. The Get Radio-Active is a live-in course for Scouts of all ages who are interested in obtaining their Foundation Amateur Radio License. Information and expression of interest form can be found at <http://www.sresu.asn.au>

The camp is in Melbourne just after Easter. Its school holidays and fits perfectly for Venturers Pursuits - talk to your Unit about it.

International Opportunities – Working Overseas. Are you over 18, have you ever wanted to work overseas? Have you thought about using the Scouting network to do this? There are all sorts of opportunities to work overseas through the world wide brotherhood of Scouting.

You can work during winter or summer at Kandersteg International Scout Centre (www.kisc.ch) in Switzerland. Kandersteg offers opportunities to Scout members to be staff for a term in the mountains of Switzerland. In summer you can go mountain biking or hiking whilst in winter you can go skiing, all whilst providing services to visiting Scout members from around the world.

Or what about working the summer at a camp in the USA? Each year, the Boy Scouts of America invites Scouts and Scout leaders to spend the summer as an International Camp Staff member of a BSA summer camp or Cub Scout day camp (<http://www.scouting.org/International/icamp.aspx>). The days are long and hard but the trip and what you see and do can be the most exciting time of your life. You will receive a small wage and accommodation all whilst helping run and work with youth members at the camp.

You could help out at Baden Powell House, a hostel and conference centre in the heart of London. One of the most expensive cities in the world is easy to access if you are staff at the Baden Powell House. For more information see <http://www2.scouts.org.uk/bpconferncecentre/>.

There are other opportunities to work overseas, whilst helping communities, not just Scouts, but through the Australian Youth Ambassadors for Development (AYAD) Program. The AYAD Program is an Australian Government initiative which supports skilled young Australians who want to live, work and make a difference in the Asia-Pacific Region. A recent appointment was helping the Scout Association of Vanuatu by appointing an AYAD officer to help them develop their Scout program. The AYAD Program compliments the Scout program and allows you to put into practice the skills and tools you have learnt through Scouting. For more information see www.ayad.com.au.

Host Families and Host Corp Team. We are always on the lookout for host families and people to be a part of the Host Corp Team. This may be anywhere from hosting someone for a few hours to show them local Scouting, to 1-2 days whilst they are here on holidays up to several

The next round of the Gambling Community Benefit Fund (GCBF) will be closing soon. Applications need to have reached Branch by 20th February 2009. To guarantee on time lodgement don't leave it to the last minute.

For questions or queries please contact Project Development Grants Officer on 07 3721 5734 or email grants@scoutsqld.com.au

REMINDER CENSUS

is due

27 FEBRUARY 2009

It is important that the census return is received at Branch Headquarters by the due date, and for you to keep us informed of any future Youth and Adult movement as this will be the basis on which membership invoices will be raised. The Group will be charged on the information contained within the Branch database as at 1 April 2009 and no refunds of membership fees will be given.

Remember that you can complete your Census return online. The instruction manual is available from the Branch website and was sent to all GL, DC and RCs in December 2008.

UPDATED FORMS

THE OFFICE OF THE CHIEF COMMISSIONER M E M O R A N D U M

Time for the Wearing of Queensland Centenary Pin on Uniform extended to 31 August 2009

As the first patrols in Queensland were founded during August 1909 the Queensland Centenary Year does not actually finish until August 2009 and therefore I have decided that we shall continue to wear the Centenary Pin on our uniform until the end of August 2009.

Supplies of these pins are still available from your Region Commissioner so if you have any Youth Members or Leaders who have not yet received the pins please contact your Region Commissioner or Region Office.

Help required

Queensland Scout Centre requires an interested person to assist with grounds maintenance

Expression of interest is being sought from anyone who is interested in helping maintain the mowing at the Queensland Scout Centre in Auchenflower, Brisbane.

This is not a volunteer position. Remuneration by negotiation. Equipment supplied. If you believe you have the skills and time then please contact us as soon as possible.

Please send your expression of interest to

property@scoutsqld.com.au

Closing date for expression of interest to be submitted is

9 March 2009

Scouts Reunited is a free service available to all current and former members

of Australian Scouting which enables them to rediscover their Scouting friends, find out what they've been doing since, and to renew acquaintances. Register now on the website and start finding your friends! Scouts Reunited will automatically tell you about people who were members of your Scout Group during your time. However, if you want to track down someone else... perhaps someone from a past Jamboree, use the powerful search function.

Waingunga Day

Following on the success of last year's event we want to increase the number of Regions holding this Cub Scout activity day to celebrate Children's Week.

Discuss the opportunities at your next District Training Meeting and let me know where your Waingunga Day will be held – we will distribute thoughts, themes and activity ideas shortly so keep an eye on the Group Mail.

Website

We have had discussions with Scouts Queensland IT and Communications team and there will be a bigger use of the website for Cub Scout activities and ideas. Next month –

visit the website for more information. This is a direct request from Leaders so please continue to send me your thoughts on what you need to help you do your job and any other feedback.

The Cub Scout Award Scheme was modified after an extensive review a few years ago – we hope to gather your feedback later this year. So don't forget to 'READ' your Group Mail. Cub Scouts can be the most inspiring of all ages... perhaps I'm biased but this is how I see it. They have a willingness to learn, a want to succeed and please their elders, a curiosity of the world around them and, in most cases, allow each others differences.

Have fun this year and never underestimate the value of your role in your Youth Members lives. Congratulations on being part of the Scouting community.

the paperwork correctly, on checking the Data base we have a few over aged Scouts born around 1950, this happened because they ticked they were Scouts not Leaders. Remember also all paperwork including payments come to Queensland Contingent and no one else.

Passport Photo: - There are several photos that have been rejected, if in doubt get a photo taken by someone who officially takes these photos, we have had several with dark backgrounds, top of the head missing, blurred photos and generally the photo doesn't look real good. This photo will be on your id for all to see and a keepsake at the end of the Jamboree (as long as they don't fade like last time)

Events for 2009

Logan and Bay Leadership Courses

The leadership courses will be held on February 27 – March 1, May 15 – 17, August 7 – 9, and October 16 – 18, These will be run if numbers are there, Paul Oliver is the contact and he is willing to accept Scouts from outside his Region

Other dates for Activities this year are

- Butterfly 21st March
 - Triple S 3-6 July
 - Nighthawk – Pittsworth 8, 9 August
 - Scout-out – BP Park 22, 23 August

SOMETHING TO THINK ABOUT

Welcome to the 2009 Scouting year. The following anecdote may help as you travel through this year with all the challenges that may come your way. May it give you a different way of looking at life through the people that you meet and through the things that might happen along the way.

This is a good story and is true, please read it all the way through until the end! (After the story, there are some very interesting facts!): I am a mother of three (ages 14, 12, 3) and have recently completed my college degree. The last class I had to take was Sociology. The teacher was absolutely inspiring with the qualities that I wish every human being had been graced with. Her last project of the term was called, 'Smile.' The class was asked to go out and smile at three people and document their reactions. I am a very friendly person and always smile at everyone and say hello anyway. So, I thought this would be a piece of cake, literally.

Soon after we were assigned the project, my husband, youngest son, and I went out to McDonald's one crisp March morning. It was just our way of sharing special play-time with our son. We were standing in line, waiting to be served, when all of a sudden everyone around us began to back away, and then even my husband did.

I did not move an inch... an overwhelming feeling of panic welled up inside of me as I turned to see why they had moved. As I turned around I smelled a horrible 'dirty body' smell, and there standing behind me were two poor homeless men. As I looked down at the short gentleman, close to me, he was 'smiling'. His beautiful sky blue eyes were full of God's Light as he searched for acceptance. He said, 'Good day' as he counted the few coins he had been clutching. The second man fumbled with his hands as he stood behind his friend. I realized the second man was mentally challenged and the blue-eyed gentleman was his salvation. I held my tears as I stood there with them.

The young lady at the counter asked him what they wanted. He said, 'Coffee is all Miss' because that was all they could afford. (If they wanted to sit in the restaurant and warm up, they had to buy something. He just wanted to be warm).

Then I really felt it - the compulsion was so great I almost reached out and embraced the little man with the blue eyes. That is when I noticed all eyes in the restaurant were set on me, judging my every action.

I smiled and asked the young lady behind the counter to give me two more breakfast meals on a separate tray. I then walked around the corner to the table that the men had chosen as a resting spot. I put the tray on the table and laid my hand on the blue-eyed gentleman's cold hand. He looked up at me, with tears in his eyes, and said, 'Thank you.'

I leaned over, began to pat his hand and said, 'I did not do this for you. God is here working through me to give you hope.' I started to cry as I walked away to join my husband and son. When I sat down my husband smiled at me and said, 'That is why God gave you to me, Honey, to give me

hope.' We held hands for a moment and at that time, we knew that only because of the Grace that we had been given were we able to give.

That day showed me the pure Light of God's sweet love. I returned to college, on the last evening of class, with this story in hand. I turned in 'my project' and the instructor read it. Then she looked up at me and said, 'Can I share this?' I slowly nodded as she got the attention of the class. She began to read and that is when I knew that we as human beings and being part of God share this need to heal people and to be healed. In my own way I had touched the people at McDonald's, my son, instructor, and every soul that shared the classroom on the last night I spent as a college student. I graduated with one of the biggest lessons I would ever learn:

UNCONDITIONAL ACCEPTANCE.

Much love and compassion is sent to each and every person who may read this and learn how to

LOVE PEOPLE AND USE THINGS - NOT LOVE THINGS AND USE PEOPLE.

REGION NEWS

CENTRAL AND COASTAL REGION

100 METRES OF DAMPER FOR 100 YEARS OF SCOUTING

What could a Scouting member find better to do on a Sunday morning in 40°C temperatures but to cook a 100 metre damper to raise money for the Wesley Foundation. This is what some enthusiastic members of scouting in Central and Coastal Region tackled at the Troppo Markets at the Mackay Showgrounds on Sunday 14th December 2008.

All the ingredients were premixed and put into bags, which was a feat in itself, and only water had to be added on the day.

A shallow 100 metre trench was dug. Timber was burnt in piles and the coals were transferred into the trench in wheel barrows.

A production line was in progress with scouting members young and old mixing damper and putting the mixture onto foil and lifting sections at a time into the trench to be cooked.

For a gold coin donation shoppers at the markets were able to feast on the damper. It did taste good and many customers came back for more.

SUNCOAST REGION

CAMP COROORA'S LATEST INSTALLMENT

Over the Christmas holidays, Suncoast Regions Camp Cooroora at Lake Macdonald received a boost with the instillation of a new septic system.

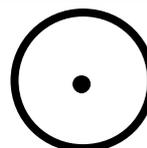

This project was made possible with funds provided by the Gambling Community Benefit Fund. This project will complement the next stage of the plan to upgrade the toilets and showers at the campsite and provide facilities for handicap people.

Support RSPCA Qld with your Scout Patrol in 2009

Million Paws Walk Sunday 17 May 2009

Join one of 25 walks happening throughout Queensland or host a walk with your Scout group. Each group that registers will receive a leader's resource kit full of activities based around the Million Paws Walk. Each registered Scout will receive an RSPCA wristband, a fundraising kit (max. 30 per group) and a certificate of appreciation at the completion of the walk. Groups will be automatically registered for the Million Paws Walk Team Challenge – so get your team together early, start fundraising, and be in the running for some fantastic rewards!

Totally fun and really yummy!

Cupcake Day for the RSPCA Friday 7 August 2009

Ingredients

- A group of enthusiastic Cupcake Cooks
- All the ingredients to bake delicious animal-themed cupcakes
- Friends, family and fellow Scouts to eat all the yummy cakes

Method

Take Cupcake Cooks and ask them to whip up batches of delicious animal-themed cupcakes. In the week leading up to or on August 7, mix Cupcake Cooks and cupcakes with family, friends and fellow Scouts who are willing to pay for your wonderful creations. Each group that registers for Cupcake Day for the RSPCA will receive a recipe book for leaders to use with resources and activities surrounding Cupcake Day for the RSPCA and a fundraising kit. You will also go in the draw to win one of two awards: Highest Fundraising Team or Largest Fundraising Team.

Wishbone Tree November and December 2009

At Christmas, Australians purchase more pets than at any other time of the year. After Christmas, when reality sets in and the cute puppy or kitten is no longer interesting, RSPCA Qld braces itself for a flood of abandoned and surrendered pets. Make a difference to over 1000 extra dogs and cats that arrive at RSPCA Qld in December with the RSPCA Qld Wishbone Tree. Groups will receive a pack of 30 ornaments that each feature a photo of a shelter animal and an accompanying story. On the back of each ornament will be a wish list for each animal e.g. \$5 will provide Rover with toys and treats. There is also an area for Scouts to decorate the ornament or write a message before it is hung on the group's Christmas tree! Scouts can then fundraise to provide essential items for the animals on their tree or families can make a donation. All groups that participate will receive a thank you gift and a personalised letter from one of the featured shelter animals.

Do you love animals and want to support the RSPCA? Join our Paw Prints Club for just \$20 a year! As a Paw Print Club Member you will receive four membership magazines a year and a fabulous starter kit. To join call (07) 3426 9937 or visit our website at www.rspcaqld.org.au.

21 march harmony day

Scouts Queensland would like to offer your Group a unique fundraising opportunity. Harmony day 2009 is held on Saturday the 21st of March 2009, Woolworths has offered POSSIBLE fundraising opportunities at local Woolworths Stores. These may range from Raffles, BBQ's and public information stands.

Harmony Day is coordinated from Branch so it is imperative that until you have been given the go ahead from Shaun Sandilands Marketing and Promotions Manager (Scouts Queensland) please DO NOT contact your local Woolworths store. This could jeopardise the contract that we have with Woolworths Australia Wide.

This year like last year we have decided to make Harmony Day a joint venture with the Girl Guide Association . If the Store allocated to you is to be shared with the Guides you will advised according and given the Girl Guide contact in-

formation. As to this date we have not heard which particular Stores are participating but we are currently taking expressions of interests from Groups.

It is up to each individual Woolworths store whether or not the take part in Harmony Day 2009 and to what extent. Harmony day is a great fundraising tool for both the Scouts and Guides as this year is a Jamboree year for Scouts Queensland. Harmony Day will also help in promoting the new uniform getting out there and may also help in recruiting new Members.

Expressions of Interest are now open and will close Midnight 9th February 2009, please note applications after this date cannot be guaranteed. The online form will ask you for your local store, please note that if some stores are not participating this store location cannot be guaranteed.

Please send all correspondence regarding Harmony Day to harmonyday@scoutsqld.com.au . Scouts Queensland looks forward to working with the Groups regarding Harmony Day and we wish all groups success.

EARTH HOUR

What its all about, It's as simple as a flick of the switch.

What began as a campaign to get Sydneysiders to turn their lights off, has grown to become one of the world's biggest climate change initiatives. In 2009, at 8.30pm on March 28, people around the world will turn their lights off for one hour – Earth Hour. We're aiming to reach one billion people, more than 1000 cities, all joining together in a global effort to show that its possible to take action on global warming.

Earth Hour started in 2007 in Sydney, Australia with 2.2 million homes and businesses turning their lights off for one hour. Only a year later and this event had become a global sustainability movement with up to 50 million people across 35 countries participating. Global landmarks such as the Golden Gate Bridge in San Francisco, Rome's Colosseum and the Coca Cola billboard in Times Square, all stood in darkness, as symbols of hope for a cause that grows more urgent by the hour.

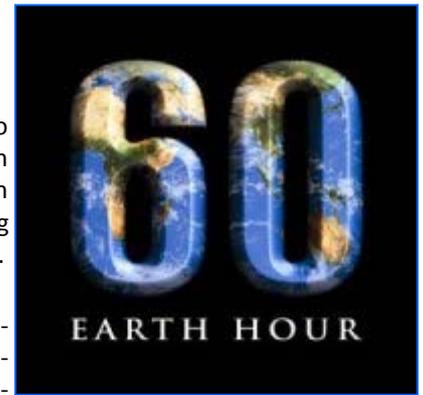

Earth Hour 2009 is a global call to action to every individual, every business and every community. A call to stand up, to take responsibility and to get involved in working towards a sustainable future. Iconic buildings and landmarks from Europe to The Americas will stand in darkness. People across the world will turn off their lights and join together in creating the vital conversation about the future of our precious planet.

Over 64 countries and territories are participating in Earth Hour 2009. This number grows every day as people realise how such a simple act, can have such a profound result in affecting change.

Earth Hour is a message of hope and a message of action. Everyone can make a difference. Here in the Asia-Pacific Region, National Scout Organisations can support this global project that will take us further to push for environmental education at local and national level by asking every Scout and Scout Leader to do the same at his/her home, office or workplace. For further details check the information below:

- 1. Turn out lights at 8:30pm Saturday 28 March 2009.**
Turn out the lights in your offices, homes or community centres for one hour at 8:30pm local time on Saturday 28 March 2009.
- 2. Communicate Earth Hour to friends, community groups and other networks.**
Provide information about Earth Hour to friends, community groups and other organisations the Scouts work with.
- 3. Communicate Earth Hour to your offices nationally and globally.**
Talk to your offices in other cities and provinces, and explain what you are doing to support the movement. Encourage nationwide participation from all Scouts and Scout Leaders.
- 4. Communicate long-term Earth Hour goal.**
Earth Hour is not just about one hour, its about making long-term changes to the way we use energy both at school, at work and at home.
When communicating with friends, family, parents, colleagues, community groups, be sure to include secondary messaging regarding emissions reductions, visit www.earthhour.org
- 5. Distribute Earth Hour posters and postcards.**
At world level, Earth Hour uses two promotional products to promote the Earth Hour message to members of the public: the Earth Hour A2 poster and the earth Hour postcard.
Perhaps you can create your own at national or troop level to your contacts to promote Earth Hour?
- 6. Direct support for Earth Hour.**
Volunteer for Earth Hour—In the lead-up to 28 March. Earth Hour needs volunteers to help deliver the Earth Hour message and hand out Earth Hour postcards to the general public.
- 7. Make change an everyday part of your lives.**
Visit www.earthhour.org for information and case studies on how simple changes in the workplace, at school and at home can be.
- 8. Sign up your local Scout Group at www.earthhour.org.**
Show your support for Earth Hour by signing up your office at www.earthhour.org. It's free and they will send you regular Earth Hour updates and information.
- 9. Tell us what you are doing for Earth Hour.**
Earth Hour has many opportunities to feature what the Scouts are doing to support the initiative, from media and PR through the Earth Hour website and email bulletins.

Please share stories of your Earth Hour activities with the World Scout Bureau/Asia Pacific Region latest by **30th April 2009**.
